

To the Pointe

A Newsletter of the Hunters Pointe Homeowners' Association, Summer 2006

From the President

Fellow Homeowners:

Welcome (back) to the "To the Pointe" newsletter. Those of you who are long term residents will remember this was the name of the association publication several years ago. Our hope is that we can resume its regular distribution two times a year (or more, if needed).

I want to take this opportunity to thank the Board and several other homeowners for their assistance in various aspects of the life of the association. Jeff Akins, Grace Brack, Phil Campbell, George Chappell, Vinny Castellano, Ilene Dailey, Nicole Edwards, Bernie Flaherty, Peggy

Howell, Amanda Hunter, Scott Joyner, Karen LeCain, Ed Luciani, Deana Motes, Chris O'Malley, Jim Reichard, Susan Roach, Bill Thompson, Vic Voiselle, Bonita Wilkinson and Alicia Young have all given of their time over the last several months to assist with welcoming new neighbors, the pool house or mailbox projects, and/or covenants enforcement. Without the participation of these good neighbors, your homeowners' association couldn't function. Next time you see one of them, please thank them for volunteering their time and talents.

Despite a pronounced increase in the number of volunteers, there is still much more that we could be doing—that we really *should* be doing—as an association. We have been without a landscaping committee for nearly two years. We also need someone to maintain a directory, both for distribution and to ensure we have accurate information for mailings. Jim Reichard desperately needs help on the recreation committee monitoring the upkeep of the pool. Might you be willing to spend an hour or two a month assisting the association in some way? While the needs I list here are pressing, you may have other ideas about how you could best serve (maybe on the social committee, or helping to produce this newsletter, or welcoming new residents?). If you would be willing, please give me a call at 489-4737.

Yours,
Chris Caplinger
