Annual Homeowners' Meeting and Social, Sunday, November 2

Please mark your calendars for our annual fall homeowners meeting on November 2, starting at 3:00 PM at the pool. In addition to the election of Board members, the current Board and Committee Chairs will be there to give an overview of recent activities and to answer questions regarding the operation of the Association. There will be a social hour immediately following with drinks (soda, tea, wine, etc.) and light snacks provided by the Association. Hope to see you there.

Message from the Kicklighters

Dear Hunters Pointe Friends and Neighbors,

As you can physically see, we are still in the process of working through the loss of our 905 Brittany Lane home to fire. Because we are still in litigation regarding the property, we are not able to comment further on the status. We, along with you, desire for the property issues to be settled as soon as possible. We have purchased a home on Woods Hole Circle and we hope to move in soon. We consider it another God Send that we were able to purchase a home that allows us to remain in Hunters Pointe. Thank you for your continued support as we work through these issues.

Les and Kathy Kicklighter

Greetings Hunters Pointe Family

We would like to take this opportunity to express our deepest appreciation for the overwhelming love and support you have expressed to us since our home burned on August 21st. Twenty + years ago our home was one of the first of eight houses being constructed in the subdivision . Over the years, we have been thankful for the wonderful families and individuals who have joined us in recognizing the treasure we share in living here. Never has it been more evident of the caring community that Hunters Pointe is than the night that changed our lives forever. You seemed to know what we needed before we did. We are eternally grateful to Vinnie, Bill and Rusty for their courage in helping me get out of the house. I wouldn't be writing this if it weren't for their courage. We are incredibly thankful for those who comforted us, offered us clothes, food, shelter, prayers , cards , calls, visits and for the generosity of your monetary offering. Our family has truly been strengthened and sustained through the outpouring of your support and your many acts of kindness. We are doing well and feeling incredibly blessed. We continue to press on and look forward to re-building . With Love and Gratitude, Les and Kathy Kicklighter
