## **Annual Homeowners' Meeting and Social, Sunday, October 25th**

Please mark your calendars for our Annual Fall Homeowners Meeting on October 25th, starting at 3:00 PM at the pool. In addition to the election of Board members, the current Board and Committee Chairs will be there to give an overview of recent activities and answer questions regarding the operation of the Association. We also need input from our residents as well as volunteers willing to serve on various committees, so please try to attend. There will be a social hour immediately following with drinks (soda, beer, wine, etc.) and light snacks provided by the Association. Hope to see you there!

## **Upcoming Social Events**

Below is a list of things coming up this fall from the Social Committee, so please mark your calendars! For more details, check the Hunters Pointe Facebook page, or call Angela Evans at (205) 245-3664.

### **Hunters Pointe Halloween Trunk & Trail Event**

When and Where: Friday, October 23<sup>rd</sup>, 6:30-8:30pm at the pool house

As we all know, Halloween night can get a little crazy in our neighborhood. So, the activity committee came up with an event just for the residents of Hunters Pointe. Come on down and participate in our HOA Halloween event at the pool house. The activity committee will decorate the bridge portion of the walking trail in some "not so scary" Halloween décor for all of us to walk thru and enjoy.

Also, we are looking for neighborhood volunteers to hand out candy from the trunk of their cars during this event (like a Trunk-or-Treat). You could also bring your golf cart down and hand out candy that way! Either way, we are looking for 10-15 participants to come down and hand out candy to your neighboring kids. This is an opportunity to get to know your neighbors and be a part of a fun neighborhood event! I'd like to up the ante and offer a prize to the best decorated trunk if you wish to participate that way.

The Hunters Pointe protective covenants are designed to safeguard our property values. A copy of the covenants is available on the Association's website. Remember to request approval from the Architectural Control Committee before making any structural changes that affect the external appearance of your property. Also, boats, trailers, campers, and RVs may only be temporarily parked on your property. Please contact the committee to ask questions or report violations.
