## Message from the Architectural Control and Covenants Committee

The Hunters Pointe protective covenants are designed to safeguard our property values. A copy of the covenants is available on the Association's website. Remember to request approval from the Architectural Control Committee *before* making any structural changes that affect the external appearance of your property. Also, boats, trailers, campers, and RVs may only be *temporarily* parked on your property. Please contact the committee to ask questions or report violations. You can do so via the website or by emailing [hunterspointecovenants@gmail.com](mailto:hunterspointecovenants@gmail.com)
